## MARRIED AT BRIDE'S HOME

WELL-KNOWN YOUNG PEOPLE WEDDED

Will go to Housekeeping at Once in a Neat Country Home Provided by the Groom

Last Thursday evening, at the home of the bride's parents and in the presence of only a few intimate friends, Miss Ida Teeter, eldest daughter of Mr. and Mrs. D. W. Teeter of this city, and Mr. Chauncey Brockway Earl, second son of Mr. and Mrs. H. O. Earl, were united in marriage. Rev. Mr. Owen of Carthage, conducting the ceremonial rites, and Miss Oma Webb presiding at the piano. The bridal couple were attended by Miss Grace Teeter, and Mr. George Earl, sister of the bride and brother of the groom. The bride was attired in a beautiful white and cream, with the wedding veil and bouquet of white roses. She carried a large bouquet of white roses. The bridegroom, the pretty son of the bride, wore a beautiful white dress and carried pink and white roses.

Mrs. Earl is one of Jasper's best beloved daughters as well as one of the most beautiful. She is admired by old and young alike, and having lived here all her life the number of her friends is only limited by the number of those who know her, and her husband is receiving the hearty congratulations of the community.

Chauncey B. Earl is a rising young farmer and stockman, who with his father and brothers have been engaged in this business a number of years on the old Earl homestead several miles southeast of Jasper. He is a young man of sterling integrity and is highly esteemed by all who know him. He and his wife are both members of the Jasper High School Alumni. Mr. Earl has furnished a neat little house on his farm nine miles east of Jasper where they will go to housekeeping at once.

An unusual number of beautiful and useful presents were received. Dainty refreshments were served in the dining room, the pink and white color scheme being in evidence there.

On Friday evening Mr. and Mrs. H. O. Earl gave a reception at their home five miles east of Jasper, to their son and his bride.

### Silver Wedding Anniversary.

Tuesday, February 17, was the twenty-fifth anniversary of the marriage of J. R. Bowers and wife. Their children and several friends got up a reception for them Tuesday night and invited about 50 of their old friends and neighbors to congratulate them upon safely reaching their twenty-fifth wedding anniversary.

It was a very happy gathering of old friends and neighbors, and none enjoyed the occasion more than Mr. and Mrs. Bowers.

The following were present: Rev. W. O. Thompson and family, A. W. Radford and family, Walter Moulton and family, Loyd Hardaway and family, John Ward and wife, Chas. Ward and family, C. E. Teeter and family, G. P. Campbell and family, P. V. Roberts and wife, H. E. Ballard and wife, C. A. Covert and wife, Frank Boots and wife, Omer Webb and wife, T. B. Hardaway and wife, J. W. ## NEW ALMSHOUSE NOW ASSURED

PROPOSITION HAD OVER 1200 VOTES TO SPARE.

Cities and Towns Give Big Majorities for the Bonds—Joplin Vote 14 to 1 in its Favor.

Jasper County voted Tuesday in favor of the tax of 15 cents on the \$100 to provide a new almshouse and suitable buildings for the poor at the poor farm. Such a proposition requires a two-thirds majority, and the final count gave the tax levy the two-thirds majority and more than 1200 votes to spare. Joplin voted 13 to 1 for and 14 against; Carthage, 17 to 1 for and 21 against; Webb City, 8 to 1 for and 25 against; Carterville, 12 to 1 for and 17 against; Jasper, 102 for and 28 against.

### Fraulein Club.

Sixteen of Jasper's young ladies have organized themselves into a club and have adopted the name Fraulein.

Miss Pearl Cameron is president and Miss Louise Hughes secretary and treasurer.

The first social meeting was held Tuesday evening, with Misses Minnie Busby and Margaret Beam as hostesses, at the home of the former.

The house was beautifully decorated with ferns, and progressive hearts was the game of the evening, at which Miss Leona Beagle of Alba, a guest of the club, won first prize, a beautiful bouquet of carnations, and Miss May Wine won consolation prize.

A dainty luncheon was served.

The next meeting will be with Miss Grace Crow.

### Hog Breeders at Faulkner's Sale.

T. H. B. Bell, Tom McCall, James Phillips, Walter Dodd, Norris Croom and Will Metzger went up to the Faulkner Spotted Poland China hog sale at Jamesport last week. Bell, Dodd, McCall and Phillips each bought a fancy brood sow.

### Carthage Postmaster Appointed.

Benjamin F. Hackney has been endorsed for postmaster of Carthage by Congressman Decker. It is considered to be one of the best things Congressman Decker has at his disposal for the benefit of his political friends. The salary is \$2800, only \$700 less than the Joplin office pays. Mr. Hackney is a lawyer, a brother of Thomas Hackney who was Congressman from this district at one time.

### Notice.

I want every member of the Presbyterian Sunday school present next Sunday morning, February 22. Important business. Every person who does not go elsewhere is invited to attend.

## LETTERS FROM MANY FRIENDS

MORE COMING NEXT WEEK FULL OF INTEREST

Jasper County Folks are Scattered from Idaho to Texas and from California to New York.

This issue of The News contains 20 letters from former residents of Jasper and vicinity, the reading of which will doubtless give much pleasure to many of our readers, if not to all of them. We have at least half that many more just as interesting which will appear next week.

When we sent out the invitations to former residents to write their friends through The News we asked that the letters be not more than 250 words in length. We soon decided that the limit had to be raised, as very few letters were short of 500 and as their letters were also interesting to current in most instances.

We take this opportunity to thank all those who have contributed to this feature, and to say further, that if any of our readers desire to write again, it is as well to any of these letters, or if any of the letters have suggested something to you that you would like to see in print, write it up and send it along.

There is one thing that stands out prominently in most of the letters, and that is the love these former Jasper folks still feel for this community and that THE JASPER NEWS is a veritable "letter from home." This ought to suggest to some of our readers who have relatives at a distance who formerly resided here that it would be a nice thing to subscribe for the paper and send it to them, thus giving them real pleasure 32 times in a year for the small sum of \$1.

Remember this, readers at a distance, we want you to feel free to write your friends through this paper at any time. This way your letter reaches the whole community at once.

### New Buildings About Finished.

R. L. Roberts & Son are moving furniture and fixtures into their splendid new store building this week.

Mr. Nunnally, whose building adjoins the Roberts building, has divided his room making two rooms 18 by 30, and will move his restaurant into one of them in a few days.

These two store buildings are the most attractive buildings in Jasper, and not only attractive but very substantial in appearance and add materially to the growth of the town.

Mr. and Mrs. C. Embree returned Tuesday morning from an extended visit with relatives in northern Missouri.
